LEO  
HA

Leo started skating at the age of 10. His favorite things to work on are jumps. Jumping on the ice makes him feel like he's flying. Leo has passed both his Juvenile MITF and Juvenile freeskate, he is currently working on the next ones. He plans to compete at Intermediate level this season. Leo works under the tutorship of Coach Mark. One of his skating goals is to qualify for nationals next year.

In school Leo is currently in 8<sup>th</sup> grade and his favorite subject is Science. Outside of skating he enjoys video making. He wishes to become a Youtuber someday.
