Member Spotlight

CALLISTA
BIRCHENOUGH

Though her real name is Callista, her friends and family call her Callie. Callie started skating at the age of 6. Her love for skating began when she received a pair of roller skates for her 4th birthday, she would skate every single day in the garage; one day, her parents took her to the ice rink, and she smile the whole time she was there. Her favorite thing about skating is listening to the music and moving to it. Working with Coach Tamara and Coach Maria, she enjoys both skating in competitions and shows.

Outside of skating, Callie goes to school where she's about to begin 4th grade. Her favorite is writing. When she grows up, she hopes to become an author, a teacher, and a mother. She is very creative, and her many hobbies include writing books, drawing, painting, board games, building Lego sets, swimming, nature, animals, dancing, and riding on anything that rolls.

QUOTE OF THE MONTH

"Figure skating is a mixture of art and sport."
