## Member Spotlight

ASHLEY  
HIXON

Ashley started skating in October 2020 when her then boyfriend (now husband) and her decided to do a session of Learn to Skate as something to do together. After the first round she signed up another, and just couldn't make herself stopped! She loves skating because it pushes her out of her comfort zone, and she finds herself doing things she never thought she could. She also loves that she got to meet and get to know some amazing people at the rink. Her coaches are Maria and Tamara. She has passed the Adult pre-bronze moves in the field test and competes at the Adult high beginner level. Her skating goal is to just have fun and go as high and she can!

Outside of skating she likes to read and learn Russian. She currently works as an elementary school teacher Caughman Road Elementary school. In the past, she did dance from age 8 through her college years.

## QUOTE OF THE MONTH

"You will never be perfect, but you can always be a better skater than you were yesterday."
