Member Spotlight

ITALIA
MONTUORI

Italia's skating journey began about the time when she was 4, after going to see a Disney on Ice show. Italia was so impressed by the show that she started sliding around the house with a bucket on her foot, saying "look I'm ice skating!", her parents decided to sign her up for the next learn to skate session that was offered. She's been skating since then and currently works with Coach Robbie and Coach Mark. She is currently working on her Pre-Juvenile moves in the field. Her favorite thing about skating is spinning. As for her future skating goals, she'd love to one day land a triple axel, a quad Lutz, and reach the gold medalist status on her moves in the field.

Italia is currently in 4th grade. She would like to become an architect when she grows up. During her pass time, she loves to draw, she occasionally plays piano, as well as enjoys gaming. Her motto is "Why give up when you can just work harder! "

QUOTE OF THE MONTH

"Love your sport. Never do it to please someone else; it has to be yours. That is all that will justify the hard work. Compete against yourself, not others, for that is who is truly your best competition."
~Peggy Fleming
