Member Spotlight

EMILY
MCCLAIN

Emily started skating as adult, she began her journey about two years ago. Growing up she always wanted to skate but was unable to due to various circumstances. Emily works with Coach Mark and competes at Adult Bronze level. She loves working on jumps and spins and hopes to have her axel in the next few months!

Outside of skating, Emily has a professional dance performance background and worked as a high school dance teacher for five years. She now has her own business as an Operations Manager for online entrepreneurs. What she loves most about her work is the flexibility of her schedule which allows for plenty of time to skate and enjoy downtime.
