## Skater of the Month

ELISE  
DANIELS

Elise has skated, for fun, pretty much her whole life. About a year ago, she decided to start learning figure skating; she picked up private lessons and currently works with Coach Mark. Elise got her love for figure skating from her mother who also used to figure skate as a kid. She enjoys skating because, in a way, it makes her feel free. Her skating goal is to reach the Senior level and one day qualify for competitions like Nationals, Worlds, or even the Olympics.

Recently graduated from High School (a year early) in May 2022, her favorite subject in school was Science. Outside of skating, she enjoys photography, art, and playing the piano. Her current professional goal is to grow in photography and turn it into a business.

## QUOTE OF THE MONTH

"If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you."  
~ Zig Ziglar.
